8. NAME OF GRANTEE AUTHORITY: Marva Cleven, Director of Special Education
9. PROJECT PERIOD BEGINNING: 10/01/17 ENDING: 06/01/18
10. PURPOSE OF PROPOSED PROJECT:
Special education transition teams in the Lyon County School District will be trained in the implementation of Customized Employment (CE) processes for students with I/DD. Specifically, transition teams will be trained in the CE Discovery assessment process, developing CE vocational profiles, developing and holding CE planning meetings, and developing CE portfolios/visual resumes. Training in customizing self-employment and social security work incentives and programs will also occur.
11. OUTCOME MEASURES: (detail below, discussed in Project Outline)
The primary objective for this grant is to increase the successful school-to-competitive work outcomes for LCSD's students with IDD by providing training in CE processes to critical administrators and staff in transition teams. Student outcome data will be tracked and recorded as per IDEA 2014 requirements under Indicators 1, 2, and 14. Individuals immediately served under the CE procedures will also be tracked for potential post-secondary outcomes. Staff receiving will report on the effectiveness of training through provided surveys that utilize the social validity construct described by Wolf (1978) that evaluates the goals, procedures, and values and effectiveness of the training.
